

Hello.

We hope this message finds you in high spirits. As we prepare for our upcoming 4th Annual **"Girls Night Out" Domestic Violence Awareness Banquet**, we are thrilled to share the incredible impact your support could have. Last 3 year's event, with over 1,204 attendees, enabled us to extend a helping hand to several families affected by domestic violence. Now, we invite your esteemed business to be an integral part of this year's journey towards even greater positive change!

The Sugie Lane Foundation stands dedicated to combatting domestic violence and supporting families and children impacted by this unimaginable tragedy. Founded by Emily Ross in honor of her late mother, who was murdered by her father, due to domestic violence, our nonprofit 501 c(3) organization seeks to restore hope, reestablish normalcy, and inspire dreams in the lives of those affected by intimate partner violence. Emily's powerful story of resilience and turning pain into purpose drives our mission forward, and together, as a community, we become the voices for the "Sugies" we will never know - those who have suffered and those who still need our support.

By supporting our cause this year, your business can:

- ♥ Support Safe Passage: With your support, we will be able to help more families in our community by getting people to safety and bridging the gap to get them to shelter.
- ♥ Uphold Corporate Social Responsibility: Partnering with us demonstrates your business's commitment to social change and creating a safer, more compassionate community.
- ♥ Foster Positive Brand Perception: Align your brand with a purpose-driven cause, connecting with customers and employees on a deeper level.
- ♥ Amplify Community Impact: Your support helps us extend our reach and serve more individuals in need, creating a ripple effect of positive change.

We invite your business to become our partner in this meaningful journey. Together, we can create a society where domestic violence is prevented, and survivors find the support they need to move forward.

Attached is a sponsorship package detailing the benefits your business will receive at each sponsorship level.

Thank you for considering our invitation.

Sincerely,
